

# PRIVATE LESSON

## Policies

Private lessons are designed for students who want one-on-one coaching. Lessons are 30 minutes long and cost is \$40 for one athlete per half hour session. When two or more athletes share a lesson, the price is \$23 for each athlete per half hour.

No private lessons will be scheduled for anyone with a past due balance. ***If a past due balance occurs after the lessons have been scheduled, World Elite reserves the right to remove you from the lesson time until outstanding balance is received.*** All private lessons need to be paid for in full at time of service. Private lessons begin at the scheduled time. If an athlete is late, we cannot promise that we can make up the time, due to the instructors' schedules.

## CANCELLATIONS

This time has been reserved for you with one of our team members. Keeping your appointment is extremely important to our business. No-shows drive our costs and prices up. Please assist by cancelling 24 hours in advance, or in an emergency or illness, by letting us know you will not make your appointment. You may cancel your private lesson up to 24 hours in advance with no cancellation fee. If you cancel less than 24 hours before the private, there will be a \$15 cancellation charge. Customers who cancel two (2) weeks in a row will not be able to continue in that time slot unless the private rate is paid to hold the spot.
